ATHLETIC PRACTICES

August 15th is the first day fall sports are allowed to practice for grades 7-12. We will have sign-up sheets for cross country, football, and volleyball for 7th and 8th graders at enrollment, as well as information in regards to when they will be meeting. Please remember that in order for your child to compete in athletics, they must have a physical on file with the office. Coaches will collect those physicals on the first day of practice or you may drop them off at the Jr. High or Sr. High offices.
