Candidate Stormie Hittle

Third Graders Learn About Government

Candidate Zachary Kyle

Mrs. Koester's third graders are creating and managing their own government. Presidential candidates Stormie Hittle and Zachary Kyle gave campaign speeches and the class voted. Eventually the whole class will be divided into the three branches of government. The legislative branch will create a bill and send it to the President to sign or veto. The judicial branch will then interpret the new law and work like the courts if someone breaks the new class law.

CAMPAIGN SPEECH OF STORMIE HITTLE:

Hello, My name is Stormie Hittle and I would like to become President of Mrs. Koester's 3rd grade class, because I think we should at least have one girl president even if it's not of the United States of America. Let's get to the point Vote for me and I'll attempt to negotiate less homework and no spelling test if we don't have school on Fridays. I can promise you a lot of things like I can make you rich and famous or promise the farmers that I can make it rain, but I would be lying. I will promise you this, if you vote for me I will ROCK as President!!!

Thank you

Vote for Stormie and she'll rock as PRESIDENT
